

iTak International (Malaysia) Sdn. Bhd.

Company Profile – Oct 2019

iTak International (Malaysia) Sdn. Bhd. – Messages from M.D.

iTak International (Malaysia) Sdn. Bhd. has been established in Oct 2017 with officially opening in 11th Jan 2018. Fully owned by iTak (International) Limited.

iTak (International) Limited is a Japanese base company , with headquarter located in Hong Kong since 1993. Fully owned by Takashima & Co., Ltd, Japan with over 100 years history, a public listed company in Japan Stock Exchange Market.

iTak Group has 10 office locations & 2 factories located in Asia (Hong Kong, Shenzhen, Shanghai, Malaysia, Thailand, Vietnam, Japan Tokyo, Japan Osaka, Taiwan), mainly concentrate in electronics fields.

In order to respond to the demanding changes of the electronic industries, besides of the sales activities, iTak pays a high concern by building up a technical support team in our group for further support. Our experienced Japanese technical persons, F.A.E. and sales executives with engineering background provide technical advices in specifications and product examinations.

Malaysia is one of our key location in Asia area, our pass 17 years experience in running the representative offices in Penang & Kuala Lumpur is very useful for us to run the new sales offices here. We assure that our Malaysia super team service can be satisfied by our valuable partners.

Leung Pik Man,
Brenda
代表取締役社長
